

Software Engineering (IT314) Minutes Of Meeting

Group: 30

❖ Meeting 1 :-

Date : 2 August 2023

Time: 7:00 PM

Location: Cafeteria

Agenda: Discussion About The Project Topic options allotted By The Course Instructor

Discussed topics:

- During The Meeting, We Conducted A Thorough Review Of 150 Potential Projects. The Primary Focus Of Our Evaluation Was On The Problems The Software Would Solve And How The Project Could Be Implemented. We Considered Several Factors To Select The Most Suitable Project, Including Functionality, Tools, Technology, And Other Relevant Aspects.
- Overall, The Review Process Was Comprehensive And Considered All Relevant Factors. We Carefully Evaluated Each Project Based On Its Potential. And made a slack account for further discussions.

Meeting Outcome :

- We Decided To Go With The Development Of “Stock Market Analysis and Stock Prediction”
- This Platform Will Offer users to analyze and predict prices of the stocks of their choice.

Task till next meeting:

- Everyone had to find the ideas and features they like to add to our features and also what portions they would like to and would be comfortable to work with.
